

Meet! 2014

Dez. 2013

Made out of thin air

The recipe of becoming / the reception of becoming: See almost a nothing: unfounded, untenable up in the air / don't hold back, the Emergence / envision it, grasp it.

Maybe it is a process, beginning in a next-to-nothingness or ending there | delicate | fragile | invisible | light | or different, soft-footed, unfolding a strong impact...

Meet! 2014 makes room for the art, which draws its force from beyond the big, obvious, spectacular and piercing – out of the small, the plain, the elusive. Quiet in its form or in the subject matter itself – we are looking for art works, which do not present themselves to the consuming spectator too readily but expect a deep, close gaze. In short: This art wants to be discovered.

Works from any art genre are permitted.
