interNet Reversi Faker

This program is for making animation.

This program and MS-Paint and Movie Maker makes you to animate internet reversi, or your winning movie file.

At first you make a folder on…about Desktop. And put into this program "NeRF".

Run NeRF. Click "Clear 1st 4" button.

You click on the board then appear Black or White.

Functions.

Turn?	Choose Black or White.
Save	Save a presented board picture.
Which Wins?	Show winner or draw.
Reload Last	if you make Picture by manual, load last No. of picture.
Clear 1st 4	when run this program, click this 1st to make only board picture.
Move data	Make a red background picture.
Exit	End this program.

On the board, I programmed pop up menu of Turn & Save.
