The battle arena features a boss on the right and a player's deck on the left. The boss is a green, rounded creature with a red health bar labeled "10B" and a small red bull icon. A dashed white line indicates the boss's attack path, which includes a circular target icon. The player's deck consists of six cards arranged in two rows of three. The top row cards have values: 190.5M, 218.7M, and 204.3M. The bottom row cards have values: 188.5M, 190.5M, and 166.9M. A white arrow points from the deck towards the boss. A large "x44" multiplier is positioned above the deck.

A skill effect is shown, featuring a large, vibrant red flower with yellow stamens. Below the flower is a green bar with the value "543.6K". The flower is surrounded by yellow and white particles.

A blue, water-like creature is shown at the bottom left, with a small number "4" next to it.
